A Signal Station.

We are glad to announce that a signal station is to be established in Cheboygan.

It has been a wonder to us that so long a time has been allowed to lapse without one being started here.

Vessel men have been surprised at the same fact, and all have claimed that a station at this port was much more necessary.

and would be of greater benefit to navigation than those established at a number of lake ports years ago.

Fred Hamel is to have charge of it, and all will concede a better man for the place could not be found.

Mr. Hamel informs us that the flags and lights for signals have been received, and that a representative of the service is expected soon to get the station in running order.

We understand Kessel's building has been selected as the location. A pole about forty feet high will be placed on top of the building from which to display the flags by day and the lights by night.

The necessary instruments will be brought by the gentleman who is expected daily.

That such a station will be of great service to the lake marine no one conversant with the situation here can doubt.

The straits opposite the port are a natural harbor, and it is no unusual sight during the season of navigation to see large fleets anchored off the port, on account of bad weather.

The station here will give them timely warning of approaching storms, and a greater number can take advantage of the natural harbor offered in the straits, and many vessels be enabled to escape the fury of storms that they might otherwise encounter on lakes Huron and Michigan.

Death of Mrs. Jerome Leavitt.

Yesterday morning our citizens were startled by the announcement of the death the night previous of Mrs. Jerome Leavitt, a lady well and favorably known among a wide circle of acquaintances in our village.

The cause of her death was heart disease, with which she had been more or less troubled for a number of years.

Thursday she was feeling quite well, in fact, much better than she had felt for several days, she having just recovered from a severe cold, and no one apprehended her sudden demise.

Dr. T. A. Perrin was sent for, being informed that she had fainted, but when he reached the house, as soon as he possibly could, he found that death had claimed her, and that she had been dead at least a half hour.

The deceased had resided in the village for a number of years, and during that time had made many warm friends, who sincerely mourn her loss.

The bereaved family have the heartfelt sympathy of the entire community.

Mrs. W. E. Schultz, of Chicago, daughter of the deceased, arrived yesterday.

She came on a visit, and was not aware of her mother's death until her arrival, which makes her visit a sad one, indeed.

Mr. Leavitt was absent at the time of his wife's death, being out at one of his lumber camps.

A telegram was sent Rev. R. M. Thompson requesting him to come and conduct the funeral services, and he replies that he would leave Cincinnati for Cheboygan this evening.

City of Cheboygan.

The work of altering the steamer City of Cheboygan to adapt her to her proposed business on Black lake, is progressing finely.

The after cabin has been removed and the two inch plank on her deck aft of the boiler are all down and nearly calked.

She is receiving new deck timbers throughout, and her whole deck will be covered with two inch plank.

The change will give her a large freight capacity, and will enable her to carry teams, and camp equipment to advantage.

A stout tow post has been put in aft. In the cabin enclosing the boiler and engines, there will be seats arranged to accommodate quite a number of passengers.

We have no doubt she will find a lucrative business, and prove a great convenience to the numerous settlers in the Black lake section, and also to lumbermen operating in that region, taking their supplies up in the fall, and towing their logs across the lake during the spring and summer.

Notice.

There will be a meeting of the First Regular Baptist church and society at their chapel on Tuesday evening, March 6th, at 7½ o'clock, to consider the matter of securing a pastor and other business that may come before the meeting.

REPUBLICAN STATE CONVENTION

A Good Ticket Nominated—For Judges of the Supreme Court, Ex-Governor Blair, for the Full Term and Thomas J. O'Brien, of Grand Rapids, to Succeed Judge Marston.

The Republican State Convention met at East Saginaw Wednesday, with a large attendance of delegates.

The meeting was very harmonious and the result was a strong ticket nominated.

Ex-Governor Austin Blair, Michigan's well-known war governor, receiving the nomination for Associate Justice of the Supreme Court for the full term, and Thomas J. O'Brien, the well-known attorney of Grand Rapids, being nominated to fill vacancy caused by the resignation of Judge Isaac Marston.

Mr. Harry B. Hutchins of Mount Clemens and Joseph C. Jones of East Saginaw are the nominees for Regents.

The following sketches of the candidates we take from the Post and Tribune.

Austin Blair, nominated associate justice of the Supreme Court for the long term, was born at Caroline, Tompkins county, N. Y., February 8, 1818.

He is therefore now 65 years old, and a remarkably vigorous man, physically and intellectually.

He was admitted to the bar in 1831, and in the same year removed to Jackson, Michigan.

In 1842 he removed to the new organized county of Eaton, where he was elected county clerk.

In 1844 he returned to Jackson and resumed the practice of his profession.

He was elected to the legislature in 1845 and again in 1847. While in the legislature he introduced and earnestly advocated measures for abolishing color distinctions in the elective franchise.

In 1852 Mr. Blair was elected prosecuting attorney of Jackson county.

In 1854 he was elected to the state senate. In 1860 he was a member of the convention which nominated Abraham Lincoln, and in the same year he was nominated and elected governor of Michigan, and he was re-elected in 1862.

Thus he was governor during the four years of the war—the most dramatic and memorable period of our history.

In this position he acquitted himself with rare distinction. He had behind him a people full of courage and loyal to the Union and they found in Gov. Blair a fit executive, who massed the resources and protection of the state on the side of the imperiled Union.

In 1867 Gov. Blair was elected to congress, and was re-elected in 1869 and 1871.

In congress he soon assumed a commanding position, and as a member of the committee of ways and means of the 41st congress he exercised large influence in molding and passing the "public credit act," which played an important part in the return to specie payment.

Two years ago Gov. Blair was elected one of the regents of the university.

Gov. Blair has had unusually large experience as lawyer and statesman. He is a vigorous thinker, an incisive reasoner, and above all he is an honest man.

His admirable fitness for this high judicial position will not be questioned anywhere, and the people who remember his eminent public services will surely ratify the nomination at the polls as they did his nomination for regent.

Mr. Thomas J. O'Brien of Grand Rapids, who was nominated for the short term to succeed Judge Marston, was born at Jackson, Mich., July 30, 1843.

He was admitted to the bar in 1846 and has been in the constant and active practice of his profession during the 19 intervening years.

In 1873 he removed to Grand Rapids where he soon after became a member of the celebrated law firm of Hughes, O'Brien & Smiley, of which that distinguished advocate Darwin Hughes is the head.

Mr. O'Brien is a gentleman of impressive appearance, and attorneys in Grand Rapids and elsewhere on the west side of the state say he is one of the most thorough and conscientious lawyers in the country.

REGENTS.

Mr. Hutchins graduated in the literary class of the university in 1871, previous to which he was regarded as the leading thinker of his class.

Afterwards he spent a year or two in studies and travel in Europe. After his return he took the usual course of law lectures at the university, and settled at Mt. Clemens, where he has since practiced his profession. He is a man of affairs and possessed of sound judgment.

Mr. Joseph C. Jones graduated in the university class of 1870 and since then he has been a teacher. He was principal of the Pontiac high school several years, afterwards he became principal of the East Saginaw high school, which position he now occupies.

Statement.

The following is a statement of the cost of the new uniforms for the band, the amount subscribed and paid by our citizens, and the amount paid by the members of the band.

Amount Subscribed.....\$350.00

" paid on subscriptions.....\$24.90

Balance unpaid.....\$325.10

The uniforms cost \$460.65 of which amount the band contributed \$100.

which with the \$324.90 paid on subscriptions, a total of \$424.90, leaves unpaid for \$35.75.

The contribution of \$100 the members feel is all they can afford, and would therefore request the delinquent subscribers to call and pay to the secretary, Den Gero, at W. G. Boggs', the several amounts yet due from them on amounts subscribed.

The members desire to return thanks to the people of Cheboygan for their liberality, and trust that they may continue to merit the favor of all.

Village Election Notice.

Notice is hereby given that the annual election of village officers for the village of Cheboygan, Michigan, will be held at the council rooms in the Town Hall in this village on

MONDAY, the 12 day of MARCH, A. D. 1883, at which time the following officers are to be elected:

One President for the term of 1 year, three trustees for the term of two years, one clerk for the term of one year, one treasurer for the term of one year, one street commissioner for the term of one year, one assessor for the term of one year, one constable for the term of one year.

Notice is further hereby given that on SATURDAY, MARCH 10th, 1883 the Board of Registration will be in session, at the council rooms of the Town Hall for the purpose of completing the registration of the electors of the village.

JAMES J. BROWN, Village Clerk.

Dated Cheboygan, March 1, 1883.

Republican Caucus.

A Republican caucus will be held at the Town Hall on Thursday, March 8th, at 2 o'clock P. M., for the purpose of nominating candidates for the several village offices to be filled at the annual charter election on Monday, March 12th, 1883, and for the transaction of such business as may come before the meeting.

Let there be a full turn out of the Republicans of the village, that there may be a free expression in choosing candidates.

GEO. P. HUMPHREY, JOHN E. CLARK, S. S. EDDY,

Village Committee.

STATE NEWS.

Mr. M. J. Dee, of Detroit, has resigned from the board of visitors to the Orchard Lake military academy, to which he was appointed by Gov. Begole.

Three prisoners cut a hole through the side of the Roscommon jail Sunday night and escaped, but were caught and returned Monday morning.

Muskegon is anxious for an early opening of navigation, while Port Huron and several ports don't want vessels to go into commission until May 15.

A Mrs. Neuman, of Port Hope, Huron county, recently died and the usual funeral arrangements were made, but before they were carried out the deceased awoke.

A bento f the new bridge of the M. & O. road at Tecumseh, while being raised Monday, fell, instantly killing a laborer named Flooring, and breaking the legs of two others.

A pair of American bald eagles have made their home near Stony Point, Monroe county, Mich., on the margin of Lake Erie, for many years, and it is believed they are nearly, if not quite, 75 years old.

Up to Monday ninety-two individuals received votes for United States Senator. Three of the ninety-two—viz., T. W. Ferry, Edwin Willits and Perry Hannah—have had votes at every ballot without exception.

Manuel Lenhart, imprisoned at Newaygo, for murder, heard the sound of revellers enjoying a dance in an adjacent building, and believing it was a party intent on lynching him, died in his cell of fright.

Owing to a number of men being injured on the Flint & Pere Marquette railway last week the officials of that road have ordered brakemen to use sticks in coupling cars, and have supplied each man with the same.

During the winter every tug boat and schooner at Muskegon has been broken into and some articles stolen. In one or two cases ineffectual attempts were made to set fire to the boats, but not much damage was done.

A well known fruit raiser of the vicinity of Jackson is authority for the assertion that the peach buds in that section are to a large extent destroyed. It is believed the buds of harder fruits, especially apples, are uninjured.

W. C. Humphrey, who has been connected with the military department of the state and secretary of the state military board since 1873, has resigned from the adjutant-general's office and accepted a position in the office of the secretary of state.

Alas, poor Conrad! The wife of Conrad Casper, a laborer in the rolling mills, Springwells, gave birth to triplets the other day, two boys and a girl, whose united weight was 27½ pounds. On two previous occasions Mrs. Casper presented her husband with twins.—Evening News.

Superintendent Perry, of Grand Rapids, reports that city full of tramps, who beg food from house to house during the day, and apply at headquarters at night for lodging. They are anxious to be sent to Ionia for ninety days, which would take them through the winter. He is at a loss what to do with them.

A. P. Swineford commissioner of mineral statistics has issued a special report on the iron and copper product of Michigan for 1882. The total amount of iron ore mined in Michigan last year was 2,948,307 tons, valued at \$24,363,742, and copper 57,259,137 pounds, valued at \$10,541,408. The aggregate value of the two is nearly \$35,000,000.

Ann Eliza Young upon reaching Vicksburg, en route to Bellevue the other day, found that the train on the Grand Trunk had been delayed by a wash out at South Bend, and would be too late to get her to Bellevue in time for her lecture. She immediately telegraphed to Battle Creek for a special train and went on her way rejoicing, although the special was expensive. The Kalamazoo Gazette, in commenting on her luck, remarks that had she been Brigham Young's first wife instead of the 19th, he would hardly have practiced, if he had taught polygamy.
